Subject No. 153.
Communication to D. R. A. members of orders passed on Dasara Subjects.

Summary of discussion.—The members of the Representative Assembly are now only supplied with copies of the Dasara Representative Assembly Proceedings Books, but are not informed of the final orders passed on many of the subjects. It is requested that such final orders may be communicated to them.

Reply of Government.—Final orders will be communicated through the Deputy Commissioner to the member concerned.

Subject No. 154.
Supply of Government Gazette to Representative members at half price.

Summary of discussion.—Members of the Representative Assembly may be supplied with the Mysore Government Gazette at half price in the same way as village officials.

Reply of Government.—Representative Members during their tenure of office will be allowed to subscribe for a copy of the Gazette at half price.

Subject No. 155.
The present members to continue for another year.

Summary of discussion.—Owing to the prevalence of Plague, the Members of the Dasara Representative Assembly could not meet at Mysore last year. It is therefore requested that the same members may be permitted to continue for a further period of one year.

Mr. Srinivasa Rao of Chikmagalur and several others opposed this.

Reply of Government.—This cannot be done.

Subject No. 156.
Establishment of a Home for Hindu women.

Summary of discussion.—A Hindu convent or home may be established and arrangements made to train high class nurses, midwives, &c. Many widows have been taught in H. H. the Maharani's Girls' School. Some have been trained as nurses by the present Civil Surgeon of the Mysore District and they are doing good work. There are several passed women who are destitute and for whose lodging and training as nurses, &c., a home may be established somewhat on the lines of a convent.

Reply of Government.—The suggestion is a good one. Noted for consideration.

Subject No. 157.
Veterinary Hospital and Surgeons.

Summary of discussion.—A Veterinary Hospital may be established for treatment of cattle diseases.

Mr. Shamiengar of Malur and a few others proposed that arrangements might be made for the treatment of cattle diseases at the head-quarters of each taluk by appointing Veterinary Surgeons.

Reply of Government.—Noted.

Subject No. 158.
Specific medicines to be kept in stock in dispensaries.

Summary of discussion.—Specific medicines for serious diseases may be ordered to be prepared by the Assistant Surgeon in charge of the Native Hospital at Mysore and kept in stock in all the dispensaries in the State for distribution to those in need of the same.

Reply of Government.—Noted.
